## LONGER LASTING REFRIGERATION SOLUTIONS BY DESIGN

RefPro was established in 2006 by BT Commercial and B&J Refrigeration.

RefPro Refrigeration supplies custom-made plug-in frozen food display cabinets, refrigeration equipment, cold room solutions, shop fittings, and customizations projects. All work, whether big or small, requires attention to detail. All our refrigeration work is executed to the highest technical standards to guarantee many years of service. For RefPro, good customer relationship is paramount and we strive to reach all clients' requirements. We believe in 100% client satisfaction.
